**Mr. Bhupinder Sharma  
President  
Transitional Council of the  
College of Homeopaths of Ontario  
163 Queen Street East, 4th Floor  
Toronto ON M5A 1S1**

Dear Mr. Sharma:

I am very pleased to inform you that the proclamation of the *Homeopathy Act, 2007* will take place on April 1, 2015.

I would like to take this opportunity to extend my sincere thanks to all the members of the transitional Council of the College of Homeopaths of Ontario for their dedication and hard work to make the new college possible.

Regulating homeopaths is part of the government's plan to build a better Ontario through its Patients First: Action Plan for Health Care. Ontario respects the diversity of Ontario's population and their use of alternative health therapies and traditions. At the same time, establishing the new College of Homeopaths of Ontario will protect the public interest by ensuring patients using alternative therapies receive them from competent and qualified homeopaths.

I congratulate you on your hard work and look forward to working with you in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric Hoskins".
